

The philosophy of Gelato Café continues to be exceeding expectations through the application of artisan creations which are unique and authentic.

The Gelato Café prides itself on a continued effort to provide the very best. We absolutely refuse to diminish quality in exchange for profit. Our client is an honored patron who deserves the time and attention our staff applies to selection and preparation of every item we create. Beginning with our gelato, we have chosen to make use of over 95 years of experience from the start via our decision to provide only gelato produced at Dolcesco (www.dolcesco.com) which is a local and authentic gelato maker.
